UI Architect:

UI Architect role will be part of e-Commerce Team building Single Page Application on React-Redux & NodeJS. This role will lead the team in Analysis, Application Architecture, Design, Integration, Testing, and Implementation of business and technical information technology solutions in using software development life cycle methodology.

Responsibilities:

- Responsive UI / Front End Development using front technologies including ReactJS, Redux, AngularJS, JavaScript, JQuery, HTML5, CSS3 & Webpack
- Developing Single Page Application (SPA) on ReactJS, Redux & NodeJS
- Deep knowledge of ReactJS practices and commonly used modules based on extensive work experience
- Communicating with external web services or integrations
- Cooperating with the back-end developer in the process of building the RESTful API/headless architecture
- Must have experience in front end optimizations including performance bottlenecks debugging and tuning
- Must have experience in using tools like web page test & chrome developer tools for synthetic testing
- Deep understanding of how a web request works end – end
- Ensuring high performance on mobile and web browser
- Follow and contribute to Agile/SCRUM activities (e.g. daily stand-ups, retrospectives, iteration planning, estimating/reporting, acceptance criteria definition, etc.)
- Train and mentor juniors / freshers on front end technologies
- Design and conceptualize any new front-end development

Qualification and Experience:

- Minimum 9 years of experience in UI Development and last 2 years into ReactJS development using Redux
 - Hands on experience in Single Page Application (SPA) Development using latest JavaScript frameworks (React and similar)
 - Awareness on what's new in the frontend technology world
 - Ability to multi-task
 - Experience in e-Commerce & Banking domain candidate preferred
 - Should have experience in Performance Monitoring tools
 - Bachelor's and Master's (preferred) in Computer Science with Strong communication skills
 - Behavioural Skills - Excellent Verbal/Written Communication skills in the English Language, Influence/Impact on decision making, Customer Orientation, Team Leading skills, Solution-oriented Leadership skills, Visionary mind-set
- Location: Mumbai / Bengaluru
